## Wood and Waste Energy and Alcohol Fuels by Type, 1981-1999

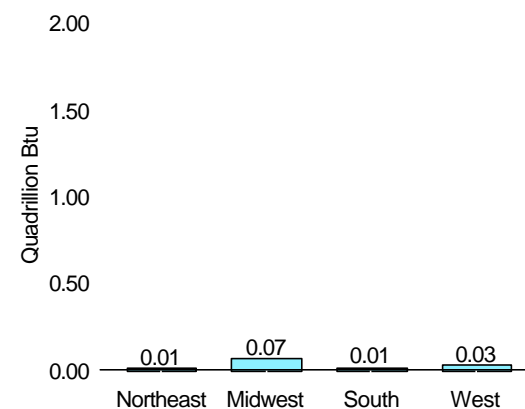

## Wood Energy by Census Region, 1999

## Waste Energy by Census Region, 1999

## Alcohol Fuels<sup>1</sup> by Census Region, 1999

<sup>1</sup> Ethanol blended into motor gasoline.

Notes: • Not all data were available for 1985, 1986, and 1988; therefore, values were interpolated. • Beginning in 1989, includes expanded coverage of nonutility consumption.

• See Appendix D for Census regions. • Because vertical scales differ, graphs should not be compared.
